Dear Parents,

Thank you for considering DO-RE-MI Kids in Learning Childcare Centre for your childcare needs! My name is Bing Xia, owner and main teacher of DO-RE-MI Kids in Learning Childcare Centre. On behalf the centre, I welcome you and your child!

As an Early Childhood Educator, I am committed to providing a safe, caring, nurturing and educative environment for your child. I have been worked as teacher in elementary school for over 12 years in China before my immigration and have been working as ECE profession for over 8 years in Canada. In my professional experience smaller settings such as family daycares are more able to provide the quality and specific needs for each child.

DO-RE-MI Kids in Learning Childcare Centre understands that to be happy and healthy a child needs a caring, nurturing and safe environment that will allow them to learn about themselves and the world around them. We also understand that children need encouragement, acceptance, and a sense of accomplishment, guidance and faith. Helping to fulfill these needs is our ultimate goal. Our program offers a varied mix of indoor and outdoor activities aimed at the development of both fine and gross motor skills, as well as emotional and social development. Craft, story and quiet time, along with music and movement and Chinese immersion are a regular and important part of our program.

Please do not hesitate to contact me at any time, as I'm always here to answer your questions. I look forward to your involvement as we join together in teamwork for the continued success and growth of your child.

Sincerely Yours,

BING XIA
